

LED Recharg. battery portable lamp 12V

Material no.: 6000016051 | Matchcode: EL LED A HSW 12V | EAN code: 4014599674371

- » Portable lamp including charging station
- » 3 watt Luxeon-type LED
- » Long lighting duration of up to 30 h
- » Robust housing (IP 44)
- » Signal function, including orange scattered light disc

Materials & Colour

Material:	Synthetic material
Colour:	Blue Black

Dimensions

External dimensions:	125 x 75 x 300 mm
----------------------	-------------------

Technical details

Weight:	1,68 kg
IP Protection:	44
Voltage in volts:	12 DC 230 AC

Conformity

EMC Compliant:	Yes
WEEE-No.:	DE 28029840

LED Recharg. battery portable lamp 12V

Material no.: 6000016051 | Matchcode: EL LED A HSW 12V | EAN code: 4014599674371

Description

The rechargeable LED battery-operated portable lamp provides everything that an ideal work lamp requires: outstanding work lamp with exceptionally long lighting duration, long service life, thanks to advanced LED technology, extremely robust housing and ease of use. You can now individually illuminate your work area, thanks to a powerful 3-watt LED, 3 brightness levels and a lamp head that swivels around 105°. Its flashing function means that it can also be used as a warning light. Its emergency light function guarantees reliable emergency lighting in the event of a power failure, e.g. in public buildings or in rooms without daylight and in the dark. The work lamp can be securely stored and charged in the practical wall bracket. Either with a 230 V power adapter or using the 12 V charging cable connected to the cigarette lighter in the vehicle. Technical data:

- » Maintenance-free lead rechargeable battery 6 V / 4.5 Ah
- » Splash-proof housing (IP 44)
- » 3-watt Luxeon LED
- » Lighting range 300 m
- » Light flux 240 lm
- » Lighting duration: 20 h at 100%, 25 h at 70%, 30 h at 30%
- » Colour temperature 5300 K
- » Operating temperature: -10 °C to +50 °C
- » Charger: 100 - 240 V AC / 50/60 Hz; 9 V 500 mA
- » Charging time: approx. 14 h
- » Integrated deep discharge protection
- » Weight of the portable lamp: 1.58 kg (excluding wall bracket)

Scope of delivery:

- » LED portable lamp
- » Wall bracket with charging station
- » 230 V power adapter
- » 12 V charging cable
- » Orange scattered light disc
- » Operating instructions
