Color:	White

Dimensions

External dimensions:	245 x 140 x 140 mm

Technical details

Weight:	3,09 kg

Description

The hand cleaning cream refill set with a 3 litre capacity is suitable for the pump dispenser (Art. No.: 80711007).
The gentle hand cleaning cream with natural rubbing agents is used to remove oils, grease, tar, bitumen, paint, printing inks, etc. Cleans deep into the pores with natural oil replenishment (coconut oil-based).
Application: Rub the hand cleaning cream into dirty, dry hands until the dirt dissolves. Add a little water, wash thoroughly and rinse well. Use the hand cleaning cream sparingly. One pump from the dispenser is enough to thoroughly clean the hands.
