Wide-mouth canister 6 litres

Material no.: 6000015127 | Matchcode: ZWHK6 | EAN code: 4014599140081

Description

The wide-mouth canister holding 6 litres can transport liquids of any kind in a clean and secure manner. The canister can be easily filled, emptied and cleaned, thanks to its wide opening (Ø 88 mm). The small spout (Ø 18 mm) with nozzle spout can also be used. In addition, the wide-mouth canister has an opening for screwing on drain taps and angle valves, which is closed with a screw plug. The outlet tap to fit can be ordered separately with article no. 801009992. The screw cap ensures that the contents remain firmly inside without any drips or leakages. A handle ensures that the wide-mouth canister is easy to carry and handle.

Other features:

- ideal for transporting drinking water and food
- good chemical resistance to fats, resins, lyes, oils and acids
- BPA-free
- Temperature resistance: -20 °C to +70 °C
- Weather-proof thanks to UV stabiliser
