Description

This LS-drawer 72 G with a height of 72 mm is designed so that it can be seamlessly integrated into the LS-BOXX 306 G. Tools and work utensils can be securely stowed away within and transported to the workplace. Your materials are always clearly sorted, thus preventing you from forgetting expensive tools or machinery. Thanks to its pull-out function, the LS drawer 72 G guarantees fast access to its contents, ensuring you waste no time at the customer's.

We reserve the right to make changes in the interest of technical progress, as well as correcting printing errors and mistakes. Pictures are similar, decorative material not included. With the publication of this data sheet, previous editions lose their validity. Version: 04.09.2025
