Description

Introduce order into your L-BOXX with the small components tray with 8 recesses to fit the L-BOXX 136 G4. A wide variety of small components in various different sizes and quantities can be stowed away in the L-BOXX and are ready to hand, by means of the diverse recess sizes. A quicker overview of the contents and volume provide for more efficiency in day-to-day work.

Tip: Combine the small components tray with the rigid foam L-BOXX G4 lid insert. When the L-BOXX lid is closed it seals the recesses, preventing the contents inside from becoming mixed up.

We reserve the right to make changes in the interest of technical progress, as well as correcting printing errors and mistakes. Pictures are similar, decorative material not included. With the publication of this data sheet, previous editions lose their validity. Version: 02.09.2025
