Description

The small component tray is tailor-made for the i-BOXX - 72 and the LS-Drawer 72. It has 16 recesses, in which small components can be properly transported. The small components in the recesses are always ready at hand and properly stowed away in the i-BOXX 53 or the LS-Drawer . A quicker overview of the contents and fill level of the i-BOXX ,or as the case may be, LS-Drawer provide for more efficiency in day-to-day work.
