Description

This L-BOXX 136 G4 features an inset box set, which provides 8 subdivision options for the secure and tidy transport of all your small components. Integrated partition guides in the inset boxes (from inset box size 1x2 onwards), in conjunction with the dividers included in the set, offer additional subdivision options, making it even more flexible and efficient. (The inset box set consists of: 2x inset boxes Ux6 H95 including 2 dividers, 3x inset boxes 2x2 H95, 3x inset boxes 2x3 H95, 2x dividers IB 1x0 H95, 4x dividers IB 2x0 H95) With Sortimo's inset boxes you keep an overview of your small components and consumables, such as screws, rawlplugs and much more. You can rearrange the layout as required and even remove individual inset boxes. The rigid foam lid insert seals the inset boxes, preventing the contents from becoming mixed up.
